

Memorandum

To: Edward Lavalley, City Manager
From: John Veneziano, Public Works Director
Date: March 9, 2016
Subject: Council Date- March 22, 2016
Approval of Agreement with Sarasota County Croquet Club

Background: Requesting authorization by the Mayor and City Council to approve an agreement with the Sarasota County Croquet Club (SCCC) for the construction of two additional croquet courts. Three existing courts are located at Wellfield Park. The project will increase availability of the courts by more than two-thirds.

The city will manage the project. \$23,000 of Park Impact Fees are available for court construction. The croquet club will pay for the remainder of the court construction costs, and for ancillary items such as tree removal and replacement, disc golf course modifications, fencing and irrigation.

Requested Action: A motion to approve the attached Agreement with Sarasota County Croquet Club.

Funding \$23,000 was appropriated from Park Impact Fees for this project. The SCCC will reimburse the city for the remaining costs associated with this project. Those costs are estimated to be no more than \$42,000.
