Dear City Council Members, dear Mayer,

My husband and I reside in the Sawgrass Community here in Venice.
We emphatically ask that the Sawgrass PUD be approved on November 28th as originally written!!!!!!

Please know that we are very upset that this has dragged on so long. Apparently, this matter should have been resolved years ago and last year we were assured that it would be. We smell a rat and are so upset at the possibility that the new golf course owners or anyone, for that matter, could possibly develop some of our land in the future, that we will also explore legal action.

We bought here on good faith that the community would stay just as it is. Please do the right thing!!!!

Sincerely,
Gabriele Kramer-Malchow
