Subject: Pianos on Parade

Good afternoon John, my name is Newell Hill and I am the Founder & Program Director for a non-profit called Keys 4/4 Kids. We are a charity that accepts donated pianos from the public in order to support local arts programming for kids. (www.keys44kids.org)
One of our programs, [Pianos on Parade](#), provides pianos to classrooms for students to paint. After the pianos are painted, they are placed in outdoor locations for the public to play and enjoy.
I'm wondering if you or maybe someone you know may be interested in learning more about hosting one of these Pianos on Parade pianos?

(Although we are based in the Midwest, we are able to offer this program anywhere in the country.)
