To whom it may concern,

I am writing you on behalf of the owners of 114 Corte Del Asolo, Venice FL, 34285. As you can see on the attached survey, there is a very slight encroachment or the screened in enclosure in the rear of the Property. We are seeking a variance to address this very minor encroachment. It will have no impact on anyone in the community. I am not sure if you need anything more, as this is very minor, but if you need anything else, let me know.

Very truly yours,
