

## **Proposed Additions**

Since the distribution of the Legislative Priorities document on August 15, the following suggestions have been made for inclusion in the final document to be determined by consensus of City Council. They are as follows for the City Council discussion:

From Mayor Holic:

**1. Repeal of the state law that prohibits home rule on new short term rental ordinances or amending existing ordinances.**

**2. Relief from the current requirements in funding 175 and 185 plans.**
