To whom it may concern:

On behalf of the Venice-Nokomis Rotary and the 2019 Artfest committee, I am pleased to invite the Venice Public Works Department RoadEO to join our 27<sup>th</sup> annual Artfest at the Venice airport festival grounds on Saturday, January 19, 2019.

Rotary Artfest is a legacy event for the City of Venice. Our target demographic is Venice residents, visitors, and families, and the proceeds from our event benefit local children's charities and non-profits.

Our event includes a wing for artists and craftspeople, the Duck Pluck that benefits the Rotary Futures program at VHS, a children's art tent and activity area, a stage with live music, classic car shows, local non-profit tents, and food and beverage trucks.

Due to the generous layout of the airport festival grounds, our infrastructure can easily accommodate the PWD RoadEO in a safe and secure wing of the event.

We also provide free parking and assistance, restrooms, lighting, and 24 hour security for the property.

Please feel free to contact me if you have any specific concerns.

We were very excited to hear about the planned PWD event, and we feel that it will be a perfect partnership for both endeavors.

Sincerely,
