CLERK 20JAN'16 AM10:53

To the City Council of Venice, Florida

Thank you for your notice informing me that my petition for a vested rights determination requesting that I be allowed to continue to rent my Venice property occasionally on a weekly basis will be considered on January 26, 2016 at a public hearing. Unfortunately I have made irreversible plans to travel out of country at that time and will not be able to attend your hearing. I hope that you will still be able to review my petition and come to a determination concerning my vested rights. If you do not have enough information to act upon my petition or there are any questions that I need to personally respond to before you can act then perhaps you could continue the public hearing until your March meeting when I will be in Florida to personally respond to those questions.

Sincerely,  
Kevin Murphy
