Subject: August 22,2017 Council Agenda Item.....Street Light Shortage

New Business:

Background: a few citizens have recently sent an email on some areas on the island where there are no lights creating a void for people walking and riding bikes at night.

In addition council has received requests for more lighting on the street adjacent to Venice High School. The school board has been asked, but no response. In addition the city uses the Performing Arts Center in the evenings and this street(BaHa) is very dark. There are only 4 lights on the entire street.

Motion: request that staff review the recent Harbor Drive request and the High School lack of lighting. Present a solution with costs to council on Oct. 24, 2017.

Regards,
Councilman Bob Daniels
City Of Venice , Florida
