

Sec. 46-183. - Launching and docking watercraft.

For the purposes of this chapter, no person entering upon and using an area designated as a marine park, including **Higel Marine Park Boat Ramp and Venice Marina Park Boat Ramp**, situated within the corporate limits of the city, including all facilities located thereon, must abide by the following,

The launching and docking of personal recreational watercraft is permitted and regulated as follows:

- (1) After launching or loading boats from the ramp, the ramp will be cleared as soon as possible.
- (2) Docks adjacent to the ramp area may be used for no more than 20 minutes ~~short periods~~ to load or unload persons and/or boating gear.
- (3) Docks will not be used for permanent mooring by any type of watercraft/vessel at any time.
- ~~(4) Temporary mooring at docks is allowed between the hours of 6:00 a.m. and 12:00 midnight.~~
- (4) It shall be unlawful to tie or moor any vessel at any location other than docking areas provided for that purpose.

(5) No vessel at any time shall dock or use any marine parking lot to conduct mechanical repairs

- (6) When an emergency declaration is made by the city, mooring at docks is allowed until the emergency is terminated.
