

Office of the Mayor

Proclamation

Whereas, a geographic information system (GIS) integrates hardware, software, and data for capturing, managing, analyzing, and displaying all forms of geographically referenced information; and

Whereas, GIS is an important part of geography awareness by allowing citizens to view, understand, question, interpret, and visualize data in many ways that reveal relationships, patterns, and trends in the form of maps, globes, reports, and charts; and

Whereas, the management, use, and exchange of geographic information are essential for effective decision-making; and

Whereas, there have been widespread and rapid technological advances in hardware, software, mapping, and communications related to GIS technology; and

Whereas, there is a need to promote GIS awareness, education, and technical training among various departments to appropriately and effectively utilize this rapidly developing technology; and

Whereas, the City of Venice GIS specialists coordinate efforts to eliminate duplication, reduce costs, develop standards, and to facilitate the sharing and interchange of GIS data, methods, and knowledge; and

Whereas, November 15th is recognized worldwide as GIS day, the annual salute to geospatial technology and its power to transform and better our lives.

Now, Therefore, I, Nick Pachota, Mayor of the City of Venice, Florida, on behalf of the Venice City Council and the citizens of our community do hereby proclaim **November 20, 2024**, as

Geographic Information Systems (GIS) Day

And the week of November 18th through November 22nd, 2024 as

Geography Awareness Week

in the City of Venice, urging all citizens to join this Council in expressing appreciation for the dedication and outstanding service provided by the individuals who serve as the City's GIS specialists.

In Witness Whereof, I have hereunto
set my hand and caused the Seal
of the City of Venice to be affixed
this 22nd day of October, 2024.

Nick Pachota, Mayor
