Award Piggyback Contract to EnviroWaste Services Group, Inc.
Stormwater Pipe Cleaning, Inspection and Assessment

Background: This Stormwater assessment project is to perform systematic cleaning and assessing of the City owned Stormwater infrastructure. This project will result in immediate drainage improvements due to the pipe cleaning, as well as pipe assessment information to prioritize future CIP projects. The City has negotiated a contract cost consistent with the unit prices awarded in Sarasota County Contract No. 2014-367. The Sarasota County contract was competitively bid with a contract award of May 20, 2014 and remains reflective of current market pricing.

Staff recommends approval of the award to EnviroWaste Services Group, Inc. for completion of this project in the amount of \$145,260.00. Funding is available in the FY16 adopted budget within account 480-0950-541.31-00.

Requested Action: Motion to award a piggyback contract to EnviroWaste Services Group, Inc. in the amount of \$145,260.00 to complete the Stormwater Assessment Project.
