To Whom it May Concern,

Why can't the City Council just say "no?"

Voicing our opposition to the [proposed mediated settlement agreement](#) for the Visterra development in northeast Venice.

Just say no!

Thank you.

Please vote no on any increase in density for Vistera. This was denied in 2024, and conditions of density in north Venice have only increased since then.

Thank you

Please, please say NO to Pay Neal. The density of the apartment buildings already at the Laurel Rd entrance to Vistera are an eyesore and display nothing but greed. We need more trees and fields to maintain a cooler earth to save the Venice we love. We are counting on YOU.
