Subject: Reserve at Venice Wastewater Collection System, Permit No. CS58-384903; Request for **Partial Approval** to Place a Domestic Wastewater Collection/Transmission System into Operation

Dear Mr. Siebert:

Air and Water Quality has received the Request for Approval to Place a Domestic Wastewater Collection/Transmission System into Operation for the completed portion of the subject project authorized by Permit No. CS58-384903, dated February 25, 2020 with connection to the City of Venice Wastewater Treatment Facility, FL0041441. The permit is hereby modified as follows:

The following portions of the system are approved for service: 4,240 linear feet of 4-inch force main.

Air and Water Quality has no objection to placing this portion of the system into use.

Please be aware that approval of individual connections to a completed collection/transmission system must be obtained from the permittee of the treatment/disposal system.

This letter constitutes modification of the subject permit and, therefore shall be appended to it. All future correspondence should reference the permit number CS58-384903.

Please contact Chris Murray, Environmental Specialist, Air and Water Quality at 941-725-5040 if you have any questions.

Sincerely,
