CITATION # 0841

Parked Car next to Restrooms as granddaughter said she was going to throw up again as she did 30 minutes prior.

I did know I was parking in a lined area, but didn't know that it was considered a part of the handicapped parking space next to me, which had a car parked in it.

After leaving restroom area we went about our business for an hour or so on Venice Ave. + found ticket upon return. I often see cars parked in lined areas on Venice Ave during events such as car show, shark tooth fest etc. I take responsibility for my error, which was not malicious, but feel \$250 fine in this case is not justified.

Sincerely,
Peter M Steffey
