Specific Application Requirements (Section 1.7.2):

- ☒ Narrative explaining justification for the zoning map amendment.
- ☒ All data and maps required to support conclusions made in responses to specific findings in Sec. 1.7.4.
- ☒ Any additional information deemed necessary by the Zoning Administrator to conduct a full analysis of the impact of the proposed amendment on the LDR.

Decision Criteria (Section 1.7.4):

- ☒ In a separate document, please restate and address each item below:
 1. Whether the amendment is compatible with the existing development pattern and the zoning of nearby properties.
 2. Changes in land use or conditions upon which the original zoning designation was based.
 3. Consistency with all applicable elements of the Comprehensive Plan.
 4. Conflicts with existing or planned public improvements.
 5. Availability of public facilities, analyzed for the proposed development (if any) or maximum development potential, and based upon a consideration of the following factors:
 - a. Impact on the traffic characteristics related to the site.
 - b. Impact on population density or development intensity such that the demand for schools, sewers, streets, recreational areas and facilities, and other public facilities and services are affected.
 - c. Impact on public facilities currently planned and funded to support any change in density or intensity pursuant to the requirements of the Comprehensive Plan and applicable law.
 6. Effect on health, safety and welfare of the neighborhood and City.
 7. Conformance with all applicable requirements of this LDR.
 8. Findings of the Environmental Assessment Report, consistent with Chapter 89.
 9. Any other applicable matters pursuant to this LDR, the Comprehensive Plan or applicable law.
