We pride ourselves in creating custom durable bronze memorials and commissions that will be treasured for generations to come.

All of our sculptures are 100% bronze, crafted by hand and cast in the "Lost Wax" process which captures incredible detail and results in the highest quality works of art. Our talented team of artists sculpt original models in clay and we never use 3D printing or enlargement technology. We specialize in creating beautiful patinas (finishes) of brown and green and can create any custom colors you desire.

We have a stellar track record of completing custom bronze sculptures within a given timeframe. We don't cut corners and have never been late on a project.

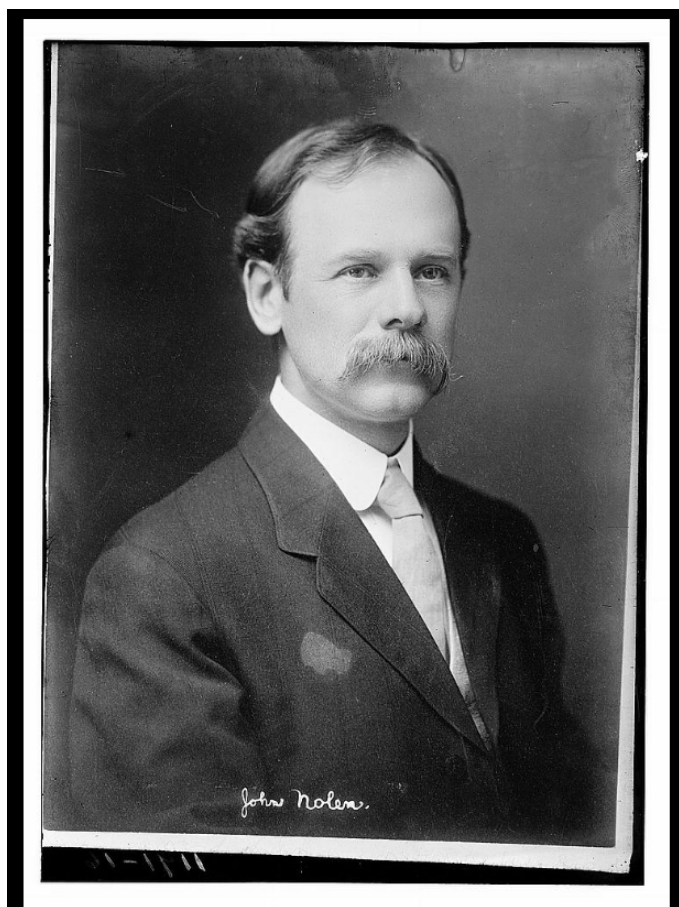

We would enjoy the opportunity to work with you on your project and would be glad to provide references upon request.
