Lori,

Please place under Council Action:

I move to have Staff present to the County a proposal to accept Venice Fire Department through a consolidation agreement to be mutually agreed upon and to include an "as is" clause in regard to plant and equipment.

This consolidation agreement shall run for a period of 20 years with a non-cancellation clause of 10 years and then either party may cancel at the end of any given fiscal year with a minimum of 2 year notice. Should the agreement be cancelled, both party's agree to transfer plant and equipment on an "as is" basis.

Thanks,

John
