

## MEMORANDUM

TO: City Council

FROM: John Holic, Mayor 

RE: Request John Myers be Removed from the  
Environmental Advisory Board

DATE: June 9, 2014

---

Since May 23, 2012 the Environmental Advisory Board has held nine meetings. Mr. Myers has attended only two of those meetings (22%) and has not requested to be excused from the missed meetings.

In accordance with Section 8 of Resolution No. 2014-13, (copy attached), I am requesting Council remove John Myers from the Environmental Advisory Board due to excessive unexcused absences from board meetings.
