Honorable People,

Please approve the PUD for Sawgrass. A former colleague of mine frequently used the phrase “make it make sense”. Approval of the PUD would, indeed, fulfill that.

With Sincere Gratitude,

City council,

I am a resident of Sawgrass and also A Real Estate Agent who sells many homes in the community and I ask you to please approve and vote in agreement to keep Sawgrass as it is.

If their is a change in Sawgrass it will destroy the community by lowering the price on all homes and there will be a huge exodus because of the residents losing their views and having to deal with all the extra homes. There are 568 homes in Sawgrass and my big selling point is that Sawgrass was voted the number one place to live in Venice in a gated community. Please keep your promise by restricting growth as the public wants less building.

To the City of Venice Council Members –

We are emailing you to strongly encourage you to vote in favor of the Sawgrass Community PUD as originally written. The City of Venice needs to correct the error it made when annexing Sawgrass into the City 20+ years ago. We were promised that this issue would be fixed five years ago but it was not. The City Planning Commission unanimously approved the Sawgrass Community PUD as consistent with the City of Venice Comprehensive Plan. Failure to vote in favor of the Sawgrass Community PUD opens the door to destroying the current uses and open spaces in Sawgrass and other neighborhoods including Calusa Lakes and Capri Isles.

Thanks in advance for your vote in support of the Sawgrass Community PUD as originally written.

EMAIL CITY OF VENICE

URGING APPROVAL OF SAWGRASS PUD AS ORIGINALLY WRITTEN

On October 24, 2023, the Venice City Council, pursuant to the recommendation of the Venice City Planner, voted to approve the first reading of the Sawgrass Community as a Planned Unit Development (PUD). The Venice City Council will be meeting again on November 28, 2023, for the second reading to vote on the approval of the Sawgrass Community as a PUD. The Coral Hospitality Group, which recently acquired the golf course in Sawgrass, is opposing the vote.

It is important that Sawgrass residents email the Venice City Council urging the council to approve the Sawgrass PUD, **as originally written**, at the second reading to be held on November 28, 2023.

Please email the Venice City Council expressing your support for the Sawgrass PUD. The most efficient way to reach all Venice City Council members, is to email the Venice City Council at citycouncil@venicefl.gov.

Dear Venice City Council Members,

As a resident of the Sawgrass Community we strongly encourage you to approve Sawgrass Community as a PUD in your meeting of 11/28/23 as originally written. Our understanding is that this was the original intention when the development was started and this action will clarify that intent. This protection was certainly our understanding when we purchased our property there several years ago.

Thank you for your consideration.

Dear Venice Council Members,

I write as a resident of Sawgrass concerning the proposed adoption of a PUD for our community, which item is to be considered at the next meeting of the Venice City Council.

The PUD was the subject of a public meeting in Sawgrass many months ago at which time the Venice Planning Department made an extensive presentation and took questions from all interested parties.

The Sawgrass PUD was merely a needed update to the restrictions and requirements of existing zoning.

I urge the Venice City Council to adopt the PUD AS IS - no changes - without further delay.

Thanks,
