

MEMORANDUM

City of Venice

Information Technology Department

TO: Ed Lavalley, City Manager *4/9*

FROM: Christophe St. Luce, Director of Information Technology

CHRISTOPHE St. Luce

DATE: April 9, 2019

COUNCIL APPROVAL: Yes

MEETING DATE: April 23, 2019

STRATEGIC PLAN GOAL: Upgrade and Maintain City Infrastructure and Facilities

SUBJECT: Approval for purchase of an on-street security camera system

Background: The City of Venice Council and Police Department have requested the installation of security cameras in key locations around the city. Locations that were requested include the downtown, the festival grounds, the pier and the jetty.

Since the summer of 2018, the Department of Information Technology has been building the infrastructure required to support an on-street security camera system. The infrastructure required for this system included new fiber installation, power upgrades, battery backups, servers, storage systems, and poles.

The vendor, Covergint Technologies, has provided a draft project schedule, per their quote. Their quote is priced off of the Sourcewell 031517-CTL contract.

Requested Action: Authorize the Mayor to execute the agreement with Covergint Technologies in the amount of \$222,858.55 for installation of phase 1 of Venice Security Cameras for the FY 2019 Closed Circuit Television (CCTV) project.

City Attorney Review/Approved: Yes

Risk Management Review: Yes

Finance Department Review/Approved: Yes
