Why are you interested in serving on a board or commission?

I love living in Venice and would like to be able to participate in ways that enhance our city. I am interested in and enjoy paintings, sculpture and photography (particularly contemporary). I visit art museums and galleries frequently and have had memberships in the new Sarasota Art Museum, Ringling Museum and my great love, the San Francisco Museum of Modern Art. I was a volunteer in the Sarasota County Literacy Program teaching English for several years. Although I have no formal background in art, I hope my enthusiasm and love of art could make up for that.

Why are you interested in serving on a board or commission?

I love art! I have traveled extensively with my family through the years and have always made a point to visit art museums wherever we are. My favorite is the Louvre. I come from a family of artists, one of whom was featured in Life magazine (Robert Lee) for his drawings. I'm proud to say that I do own a series of Dali drawings. I'm at a point in my life that I can devote the time needed for this position and would welcome the opportunity to do so.

Resume of Education and Experience:

I have been employed as a Realtor here in Venice for the last 20 years, so I don't have a resume to present to you. However, I'm very successful at what I do having been inducted to the Re/Max Hall of Fame for my sales, as well as numerous other yearly real estate awards. I have owned several successful small businesses throughout my life, so my set of skills includes working with the Public, being organized & goal oriented, I have a Business Degree and I do live within the Venice City Limits.
