I would like this topic to be placed on our next agenda for the purposes of assigning a council member and possibly a staff member to this stakeholders group.

Patrick: There is a group of Venice folks that were instrumental in getting the Venetian Waterway Trail up and going. They want to be sure to be part of helping with the Legacy Trail extension and to share their unique knowledge. I understand there a couple of South County meetings coming up on the trail system so please loop them in.
