

City of Venice, Florida

Capital Improvement Project Request

2014-2015

Department/Division: Engineering Contact Person: City Engineer

Phone Number/Extension: 25001

Project Title: Pinebrook at Venice Ave and Ridgewood Intersection Improvements

Project Number: ☒ New Project ☐ Project Update

Investment Objective: Upgrade Service Strategic Plan Goal: Upgrade City Infrastructure & Facilities

Objective: Pedestrian, bicycle and vehicle safety improvements.

Description: Upgrade the intersections at East Venice Avenue and Ridgewood Road with pedestrian, vehicle and bicycle safety enhancements.

Relationship to Community Vision and City Council Strategic Goals

Justification: Congestion exists at the Pinebrook Road/Venice Avenue intersection during peak hours. The congestion is expected to increase with the completion of Honore Road extension. Traffic stages through the intersection at Ridgewood which safety to all transportation modes due to the close proximity of the city park. Increase lane stacking and turn lanes will reduce construction, improve traffic flow, and increase safety. This project will require additional funding for construction and ROW acquisition.
