Dear Mayor Holic:

Pursuant to Section 19 of the Joint Planning/Interlocal Service Boundary Agreement (JPA), this letter is being sent as a request that the City consider an amendment to Area 5, the Laurel Road Mixed Use Neighborhood. In particular, the County would like to work jointly with the City to examine the possibility of removing the residential and non-residential development caps and examine the allowance of land uses under broader zoning categories in Area 5.

Thank you for considering this request.
