To: Mayor John Holic and The Historic Preservation Board of Venice, FL

From: Mariemont Preservation Foundation

Recently one of our Mariemont residents visited Venice, and happened to notice the article in the December 30th issue of the Gondolier Sun newspaper regarding the possibility of a Venice-Mariemont Sister City agreement.

On behalf of Mayor Dan Policastro and the Mariemont Preservation Foundation, we are very interested in pursuing a Sister-City relationship with the city of Venice because of our shared ties to the John Nolen plan.

My name is Joe Schneider of the Mariemont Preservation Foundation committee chairperson for pursuing new sister city agreements. We currently have one other Sister-City with John Nolen ties, Hampstead Garden Suburb in England.

I have enclosed a few items that you might find interesting about our National Historic Landmark Village of Mariemont. You might also like to view our website at mariemontpreservation.org.

Please feel free to contact us at your earliest convenience at 513-272-1166 or administration@mariemontpreservation.org.

Sincerely,

Joe Schneider
Chairperson Mariemont Sister Cities
