Petition To Amend City of Venice Restrictions to Offer Beer and Wine

Y = 15
N = 0

Currently there are only two locations on the beaches of Sarasota County that restrict the sale of Beer and Wine. They are the Pilot House located at Venice Beach and Jetty Jack's located at Humphris Park, South Jetty. By signing this petition you are asking the City of Venice to support the ability for these two establishments to offer Beer and Wine so they can meet the demand of the public and create a level playing field for all business owners partnering with Sarasota County and the City of Venice. I am over the age of 21.
