Impasse Hearing Between the City of Venice and AFSCME Regarding Shift Schedule Changes

Mayor Pachota opened the public hearing.

City Attorney Fernandez provided an introduction to the procedures.

Lisa Burke, representative for American Federation of State, County and Municipal Employees (AFSCME), presented schedule variations, research statistics on studies showing preferences, revenue, production, employee satisfaction, and reasons, lower absenteeism, higher morale, improved task completions, and competitive work week.

Dan Tucci, AFSCME President, presented a weekly schedule planner,

side jobs, and the employee financial burden of a 5/8 schedule.

Ms. Burke stated there is a financial benefit to the City, and adequate staff coverage.

Mr. Tucci stated some employees were hired under the 4/10 schedule planning their life around it, and answered Council questions regarding whether the union was consulted before the change, employee satisfaction surveys, employee comments, employee loss, the weekly schedule planner shown, airport crew, number of employees impacted by the change, whether there are any other proposed solutions, and days of the week impacted.

Attorney Mark Leavitt encouraged Council to focus on the issue at hand, management's right to operate the department, the proposed schedule not being a new compromise, impact pay offering during bargaining being declined, studies provided are not City or Florida studies, 21 people affected today, 150 other people in the bargaining unit, only 4% of country is on a 4/10 schedule, and the City trying this schedule previously.

Public Works Director Ricky Simpson, stated the scheduling change was in preparation for the Interlocal Parks Agreement changes, began implementing the schedule in March 2025, realignment providing full staff five days per week, improved service to residents and visitors, support for volunteer groups, reduction in overtime cost, and answered Council questions regarding the proposed schedule, five day coverage, bargaining financial wages, any employee satisfaction surveys before and after this issue, and this being one year of evaluation.

Discussion took place on holiday pay, acknowledgement of reducing overtime cost of \$74,000, the best interest of the city, employee morale, differences in reporting, employee satisfaction surveys, and impasse being declared by the union.

City Manager Clinch noted this issue is constantly being re-evaluated, the change coming from the outside, and being based on operational needs.

Mayor Pachota closed the public hearing.

**A motion was made by Vice Mayor Boldt, seconded by Mr. Engelke, to accept the City Administration's decision to change the work schedules of certain employees to the 5/8 schedule and that no further action be taken to address the impact of the City's exercise of its management right.**
