

VENICE AVENUE CANOPY ROAD DESIGNATION

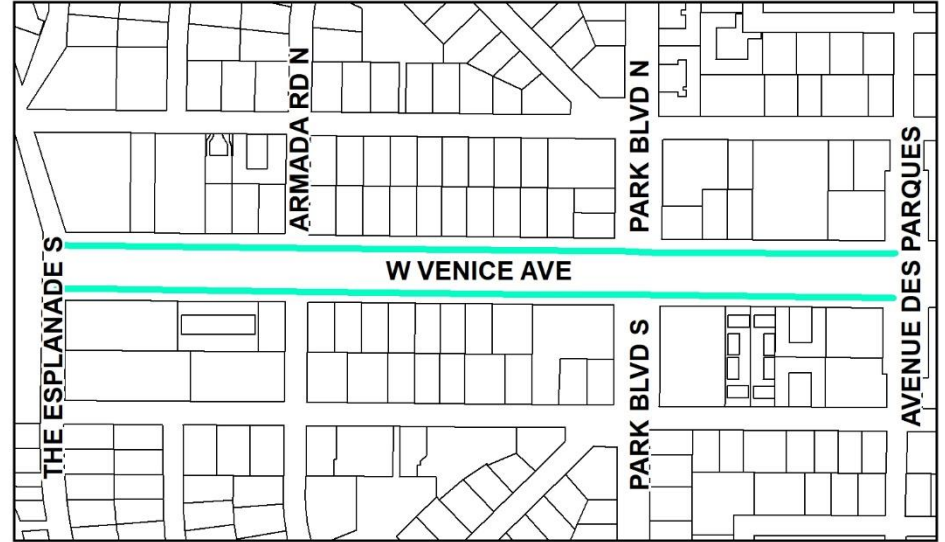

PROPOSED ROAD SEGMENT

- **The 500 to 700 blocks of West Venice Avenue**

CRITERIA

- **Road must have 50% canopy cover**
- **Road must have 75% Florida Friendly species**

Complete descriptions of standards and requirements for Canopy Roads are detailed in the *Land Development Code, Chapter 89 – Sec. 3.4.9 Canopy Road Designation.*

Proposed Canopy Road

Prepared by Planning & Zoning

CANOPY ROAD PROTECTION ZONE (CRPZ)

The CRPZ is defined as:

A designated section of City and county right-of-way and the adjacent private property extending up to 15 feet laterally from the right-of-way onto adjacent private property, but in no event extending greater than 15 feet laterally from the edge of the roadway.

Tree Protection Standards affecting adjacent property owners:

- **Pruning: Permits required for branches over two inches, supervised by a Certified Arborist.**
- **Root Pruning: Must follow industry standards and be supervised by a Certified Arborist.**
- **Violations: Causing irreparable injury or improper pruning within the CRPZ is prohibited.**

Request:

- **We respectfully request that Council designate the proposed section of West Venice Avenue as a Canopy Road; and**
- **To waive fees for pruning permits within the Canopy Road Protection Zone**
