RE: Vistera OF Venice Conditional Use Petition # 21-48CU

I am a resident of Willow Chase and I am not in favor of granting additional height allowances for the Vistera Property. The area infrastructure will already be burdened with the other large subdivisions abutting Laurel and Border roads. Increasing the density by adding more floors will only add to future infrastructure problems diminishing the quality of life for all who live in the area now or plan on living in the new "neighborhoods" along Laurel Rd.

Thank You for your attention to this matter.
