December 4, 2024

Dear Ms. Michaels,

This year the annual Convocation of Governments will be held on Friday, January 17, 2025, at 4748 Beneva Road in the Suncoast Technical College Main Conference Center. The meeting is scheduled for 9:00-11:00 a.m. with a continental breakfast served at 8:30 a.m.

The meeting will be held entirely in person again this year. Seating will be provided for each representative from each local government. This will include the commission/council chairperson, vice chair, commissioners/council members and the lead administrator. Please provide a list of the names and emails of anyone from your jurisdiction that will be attending by Friday, December 20, 2024 to linda.termine@sarasotacountyschools.net.

As you know, this meeting is held each year per the Interlocal Agreement for School Facility Planning, in order to consider better ways to collaborate regarding school facilities. Each jurisdiction submitted agenda items for discussion and the following item will be on the agenda:

- Interlocal Agreement
- New School Construction Update
- Planning for Future Growth and Capacity
- Impact of HB 1473 – School Safety/Security & Access
-

The agenda allows a short time for each jurisdiction to bring up additional items for updates or discussion. Attached is the agenda and we look forward to seeing you at the event.

Respectfully,

Mr. Terry Connor
Superintendent of Schools
