RE: Funding Commitment for Preserving Manufactured Housing Communities in Sarasota, Florida

Dear Ms. Muldowney,

Architecture Sarasota is pleased to partner with the Sarasota Alliance for Historic Preservation on the 'Preserving Manufactured Housing Communities in Sarasota, Florida' project and to provide \$12,500.00 toward the required cash match for Phase 1 – Inventory and Context Statement.

Plans are currently underway to organize a national symposium and accompanying exhibition and publication tentatively scheduled to take place in 2026.

We look forward to working with you on this important initiative.

Sincerely,
