In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City of Venice hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals, and welfare): This ordinance updates the City of Venice's floodplain management regulations to align with current state and federal requirements, including changes from Florida's 2025 Senate Bill 180 and the National Flood Insurance Program (NFIP). Key changes include adopting updated 2024 FEMA flood maps, revising how "substantial improvement" is calculated by limiting cumulative improvement costs to a one-year period rather than a long-term cumulative timeframe, clarifying duties of the floodplain administrator, requiring recorded nonconversion agreements for enclosed areas below required flood elevations prior to issuance of a Certificate of Occupancy, authorizing inspections of those areas for compliance, and removing prior local technical amendments to the Florida Building Code to ensure consistency with state law.
