Key Thoroughfares

The East Venice Avenue Neighborhood is generally developed along East Venice Avenue; however, it is also accessed by:

- US 41 Bypass
- Pinebrook Road
- Auburn Road

Unique Neighborhood Strategies

Land Use:

Strategy LU-EV 1.1.1 - Redevelopment

The City recognizes this Neighborhood is primarily developed with minimal opportunities for new development. The City supports the redevelopment of underutilized properties to encourage a diversity of non-residential uses capable of supporting the adjacent residential areas. In support of this Strategy, the
