and Members of the City Council

Re: Shared Parking Agreement

Dear Mayor Holic and Council Members:

In accordance with the discussions that you had a couple of meetings ago, attached is a proposed Shared Parking Agreement with Sarasota County authorizing the County to seek City approval and, if granted, to construct improvements at its own expense to the parking area associated with the library. The agreement also provides for use by the City of the County parking lot.

If you have any questions, please contact me.

Respectfully,

David P. Persson
