My neighbor at 872 White Cap has an item on the agenda for the upcoming meeting on February 21. She is not enlarging the foundation of her housing unit or moving the exterior walls but is adding an awning to make her existing patio more usable. I hope her request will be approved.

Respectfully,

Elizabeth Hoffman  
873 White Cap

We write in support of Lucinda Spaney's petition for a variance from the waterfront setback on our canal. We live on the canal three doors to the west of Ms. Spaney, and we think the pergola she proposes to build is an improvement to our shared property. The pergola will have a positive environmental impact in the shade it provides to Ms. Spaney's home. We do not see any negative impacts of the variance, and we urge you to approve Ms. Spaney's request when you meet on February 21st.
