Why are you interested in serving on a board or commission?

As a retiree, I have devoted my time to "giving back". Before I retired, I spent 32 years in the NYC school system, rising to the position of Assistant Principal and Principal. It is in my DNA to help others. I'm presently the Vice President of my Condo Association and recently served on our committee to review our Condo's outdated By-Laws and Articles of Incorporation. I feel reviewing the City Charter is an arduous task and my recent experience has prepared me.

Resume of Education and Experience:

I retired from the NYC Dept. of Education after 32 years first as a teacher and then as an administrator. I have a BA in Psychology and a MA in School Administration. I have NY State certification, as well.
