ORDINANCE NO. 2016-22

AN ORDINANCE OF THE CITY OF VENICE, FLORIDA, ESTABLISHING A TEMPORARY ONE-YEAR MORATORIUM ON CANNABIS CULTIVATION, PRODUCTION, AND DISPENSING BUSINESSES AS FURTHER DEFINED HEREIN; PROVIDING FOR THE APPLICABILITY TO ALL PROPERTIES WITHIN THE CORPORATE LIMITS OF THE CITY OF VENICE; PROVIDING FOR PENALTIES, PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, in 2014 the Florida Legislature enacted a law legalizing low-THC medical cannabis in Florida; and

WHEREAS, in 2016 the Florida Legislature expanded the law to legalize medical cannabis in Florida; and

WHEREAS, future constitutional amendments and legislation may further expand the legal use of cannabis in Florida; and

WHEREAS, a comprehensive state licensing and regulatory framework for the cultivation, processing, and dispensing of cannabis now exists; and

WHEREAS, the comprehensive state licensing and regulatory framework directs that the criteria for the number and location of, and other permitting requirements that do not conflict with state law or department rule for, dispensing facilities of cannabis businesses may be determined by local ordinance; and

WHEREAS, cannabis businesses licensed pursuant to the law have begun cultivating cannabis for processing and dispensing; and

WHEREAS, the dispensing of cannabis is currently illegal under federal law and the United States Drug Enforcement Agency has recently confirmed that cannabis remains a Schedule I drug under federal law, but the United States Department of Justice has discussed federal enforcement of such laws with respect to state regulated cannabis operations in the 2012 "Cole Memorandum," and;

WHEREAS, potential adverse impacts on the health, safety, and welfare of residents and businesses from secondary effects associated with the distribution of cannabis exist, potentially including offensive odors, trespassing, theft, fire hazards, increased crime in and about the dispensary, robberies, negative impacts on nearby businesses, nuisance problems, and increased DUI incidents; and

WHEREAS, certain of the above potential adverse impacts are accentuated by the current difficulties experienced by cannabis businesses in obtaining banking services necessitating such businesses to operate on a cash basis; and

WHEREAS, there exists the potential for misappropriation of medical cannabis to non-medical uses; and

WHEREAS, an overabundance of dispensing facilities can affect the viability of such facilities, result in compliance issues, lead to the improper diversion of products, and accentuate threats to the public health, safety, and welfare; and

WHEREAS, Florida laws relating to the cultivation, production, and dispensing of cannabis products are rapidly changing - raising substantial questions about whether cannabis-related land uses, as a category of commercial use, may have deleterious and negative secondary effects on surrounding land uses and communities; and

WHEREAS, the purpose of this ordinance is to place a temporary one-year moratorium on the opening of certain new cannabis cultivation, production, and dispensing facilities, and on the expansion or relocation of certain existing cannabis dispensing facilities; and

WHEREAS, the City of Venice hereby finds that the temporary moratorium imposed by this ordinance is intended to give the City of Venice the time reasonably necessary to investigate the impacts of cannabis dispensing facilities, and if necessary, to promulgate reasonable regulations relating to such establishments; and

WHEREAS, the City of Venice hereby finds that this ordinance advances an important government purpose by reducing the likelihood of the unregulated negative secondary effects of cannabis cultivation, production, and dispensing facilities; and

WHEREAS, the City of Venice hereby finds that this ordinance is in the best interest of the public health, safety, and welfare; and

WHEREAS, the City of Venice has determined it is in the public interest to adopt this Ordinance pursuant to the City of Venice police powers and Florida Statute 381.986 to protect the health, safety, and welfare of the public.
