Hi All,

It's that time of year again! The annual Justice Assistance Grant (JAG-C) Countywide grant allocations have been released to support system-wide criminal justice programs within the county. In previous years, these grant funds have supported the Mental Health Court. For the FY 2020 JAG-C, the award amount is \$94,379 which reflects a \$10,039 (10%) decrease from the prior year. In anticipation of the upcoming award, the Criminal Justice Commission voted to allocate the entire award to continue funding Mental Health Court.

As you are aware, the JAG County program requires a support letter from 51% of the governmental jurisdictions within the County. We respectfully request a support letter from your jurisdiction for the funds to support the Mental Health Court allocation. This does not, of course, have any effect on any JAG funds you may receive directly. This action pertains only to the JAG Countywide funds.

I have provided a sample support letter in a word format so it can be printed off on city letterhead. Please note that JAG funding is lagging due to delays at the Federal level, therefore the reference to **FY 2020** as stated in the sample letter is correct. **Please return a signed, electronic copy back to me via email at your earliest convenience (but no later than April 30, 2021)** so that I may include it in the grant application. Please advise if anything else is required of me in order to expedite this request. Thank you for your assistance.

Respectfully,

Kim Wiles
