Good Morning,

I would like to address the expansion of the Croquet Court on Pinebrook Rd. We live in a neighborhood opposite the Croquet Court and have concerns about the parking. There have been times when the Croquet Court is being used as well as the Tennis Courts, the Ball Fields and hikers.

There have been numerous times when the people are parking on the grass directly across from the courts, the fields and the trails on Pinebrook Rd. There is definitely a parking issue whereby they are parking on the grass strip directly across the street, parking on the sprinkler heads, breaking them and then they have to be replaced. Some consideration is needed here and now you want MORE? They cannot continue to park on the grass strip. We are asking that signs are posted, No Parking, and have the parking expanded on the side of all the fields, Croquet .included.

Thank you,
Resident of Pinebrook South
