Power Nap Pod

\$9,590

Looking for a way to recharge in the middle of your day or feeling like you need a nap but nowhere to sleep? Power Nap Pod is here to help! With its patented design, you can now enjoy a short nap, sleep or rest session in these pods with complete privacy and noise cancellation. More companies are investing in dedicated nap rooms and [nap pods](#) for their workers to prevent burnout and help tired staff sleep but also increase cognitive function.
