Why are you interested in serving on a board or commission?

I am interested in continuing to serve the Parks and Recreation Advisory Board as a non-student member as my term is coming to a finish at the end of November. I have graduated, and am no longer a high school student hence making me eligible to serve as a full term board member. I have been able to provide some valuable insight regarding some projects such as the proposed Northeast Venice Park, and have earned the respect of my colleagues. I have been able to attend most meetings, and am able to fit this precious position into my schedule.

Resume of Education and Experience:

I've served on multiple political campaigns, however it is clear to me that this is not a partisan position and shouldn't be one. I've gotten good work experience with the Sarasota County Supervisor of Elections office working with them for 2 election cycles, and now moving onto a third cycle with the City of Venice election upcoming.
