Planning Analysis

Land Development Code Compliance, Comprehensive Plan
Consistency, Florida Statute Compliance

Compliance with the Land Development Code

- Section 87-1.5.3 includes the following decision criteria:
 - A. The City shall consider the impacts to the adopted level of service standards when considering any proposed Comprehensive Plan amendment.*
 - B. The City shall consider the compatibility matrix in the Comprehensive Plan and its subsequent impact on possible implementing zoning designations.*
 - C. The application must be found in compliance with all other applicable elements in the Comprehensive Plan and F.S. Ch. 163, Part II.*
- A transportation impact analysis has been provided; further review will be conducted with any subsequent development applications

Consistency with the Comprehensive Plan

Strategy LU 1.2.4.b - Institutional-Professional:

1. Provides areas within the City for professional offices, educational, healthcare, religious or similar uses.

Strategy LU 1.2.8 – Compatibility Between Land Uses provides a compatibility review matrix, which demonstrates that the proposed IP designation is to be presumed compatible with adjacent FLU designations.

Florida Statutes §163.3177(6)(a)

- Small-scale amendment review process
- Fla. Stat. § 163.3177(6)(a)2 contains ten criteria/types of data that should be used to develop the FLU map and any amendment
- Fla. Stat. § 163.3177(6)(a)8 describes what analysis the amendment should be based on
- Fla. Stat. § 163.3177(6)(a)9 provides nine indicators of urban sprawl and requires that at least four indicators against sprawl be met by a proposed amendment
 - Four chosen by applicant and confirmed by staff:
 - i. Directs or locates economic growth and associated land development to geographic areas of the community in a manner that does not have an adverse impact on and protects natural resources and ecosystems.*
 - ii. Promotes the efficient and cost-effective provision or extension of public infrastructure and services.*
 - iii. Promotes walkable and connected communities and provides for compact development and a mix of uses at densities and intensities that will support a range of housing choices and a multimodal transportation system, including pedestrian, bicycle, and transit, if available.*
 - vii. Creates a balance of land uses based upon demands of the residential population for the nonresidential needs of an area.*

Conclusions / Findings of Fact

- Staff has provided analysis of the proposed Future Land Use Map Amendment regarding consistency with the Comprehensive Plan, the Land Development Code, and other relevant city ordinances, resolutions or agreements. In addition, analysis has been provided by staff regarding compliance with the applicable requirements of Chapter 163 Florida Statutes. The analysis provided should be taken into consideration regarding determination on the proposed Future Land Use Map Amendment.

Conclusion

- Upon review of the petition, Florida Statutes, the Comprehensive Plan, Land Development Code, staff report and analysis, and testimony provided during the public hearing, there is sufficient information on the record for Planning Commission to make a recommendation to City Council on Future Land Use Map Amendment Petition No. 25-30CP.
