Re: Transmittal: Petition 18-03AM Annual Update to the Capital Improvement Schedule FY 2019-2023

On April 23, 2019, the Planning Commission, reviewed Petition No. 18-03 AM the annual update to the Capital Improvement Schedule (CIS) 2019 – 2023, and recommended approval to City Council with a vote of 6-0.

Attached for inclusion into the agenda for City Council is:

- Draft Ordinance
- Exhibit A: CIS Update FY 2019-2023
- Staff Report
- Adopted 2017 CIS

The draft ordinance was derived from an older ordinance that may require some updating as to form and format and it still needs legal review as well. Exhibit A is intended to be attached to the ordinance which constitutes the amendment to the comprehensive plan, replacing the existing CIS. Please include all attached files into the agenda for City Council. Let me know if you have any questions.
