WORKPLACE STUDIO TERMS AND CONDITIONS

Staples Contract & Commercial, Inc., operating as Staples Business Advantage, a Delaware corporation, with its principal place of business at 500 Staples Drive, Framingham, MA 01702 ("Staples"), and the customer named in the quote to which these terms and conditions are attached, and its affiliates, subsidiaries and/or members (collectively "Customer"). In consideration of the following mutual promises, the parties agree as follows:

1) PRICES OF PRODUCTS AND SERVICES. Customer may purchase and Supplier shall provide the products ("Products") and services ("Services") at the prices set forth in Staples' written quote. The purchase price of the Products does not include freight, handling, installation, insurance, sales or other taxes. Staples' prices are subject to change pursuant to the provisions contained herein. Freight, handling and installation charges are invoiced separately.

2) DESIGN. All designs, plans, drawings, specifications, samples, and the contents therein regarding this sale shall remain the property of Staples, and may not be used, reproduced or distributed, in whole or in part without written permission from Staples.

3) SHIPPING. Staples shall not be responsible for delays or defaults caused by others or by circumstances beyond its control. Unless Customer has specified shipping instructions in writing herein or by a subsequent written notice, shipment and delivery will be made by the designated carrier and in the manner deemed best by Staples, including partial shipments.

4) RISK OF LOSS AND DAMAGE. Title and risk of loss or damage to the Product shall pass to Customer when the Product is delivered to Customer or Customer's agent, whichever first occurs. Staples shall not be liable for any shipping damage, delay, default, loss or expense occurring during or attributable to transportation by any third party carrier.

5) DELIVERY AND INSTALLATION. If delivery and installation are part of this sale, the following provisions shall apply:

A. Conditions of Installation Site - It is Customer's responsibility that the site be clean and free of debris prior to installation. In the event Staples personnel remove or assist in removing existing furniture or equipment at the job site, Customer shall pay Staples for this Service, as separately invoiced.

B. Installation Site Services - Electric current, heat, and elevator service will be furnished at Customer's expense. Customer shall provide adequate facilities for docking, moving and handling of Products.

C. Special Packaging or Handling - If special packaging or handling not contained in this Agreement is required, Customer shall pay an extra charge as invoiced separately.

D. Delivery/Installation - Delivery and installation will be during normal business hours (8:00 AM to 5:00 PM local time Monday through Friday, except for Staples designated holidays). Customer shall pay additional labor costs resulting from overtime work performed at Customer's request. Staples shall designate the personnel to install the Products sold herein. Customer shall be responsible for obtaining proper permits for the installation. If regulations in force at the time of installation require the use of tradesmen at the site other than Staples designated personnel, Customer shall pay for any additional costs incurred. If the Products must be moved due to progress of other trades, or other reason, the Customer agrees to pay the extra cost of moving.

E. Storage Space - Unless the Products arrive at the site earlier than the date requested, the Customer shall provide safe and adequate storage space at the Customer's expense. If the space provided is inadequate or inconveniently located (such as on another floor) or requires excessive sorting or other additional expense, the Customer shall pay the associated cost or expense.

6) INSTALLATION DELAYS. In the event that construction delays or other causes not within Customer's or Staples' control force postponement of the installation as scheduled, Staples or the Customer shall store the Products until installation can be resumed, and the Products shall be considered accepted by the Customer for purposes of invoicing and payment. Customer shall pay all transfer and storage charges incurred.

7) COMPLETION OF INSTALLATION. Within a reasonable time after installation of the Product, authorized representatives of Staples and the Customer shall inspect the Product for conformity with the order and for defects and/or damages, and shall note all such mutually agreed upon items on an installation "Service Report". Upon completion of the inspection, the representatives of Staples and Customer shall sign the Service Report, which shall constitute the Customer acceptance of the Products installed, subject only to the contents of the Service Report.

8) CHANGE ORDER/CANCELLATION. Any order changes must be submitted in writing. Staples will use commercially reasonable efforts to accommodate Customer's written change order request. All changes/cancellation requests shall be evaluated at the time of request by Staples and are subject to revised lead times and/or additional charges as applicable.

9) RETURNS POLICY. Custom or made to order Products, or Products sourced specifically for the customer are not eligible for return. Upon approval by Staples, "stocked" inventory Product may be returned subject to a restocking fee exclusive of freight and delivery. The returned Product must be in new and unused condition and returned in its original carton within 14 days from receipt date.

10) PAYMENT. Customer may be required to pay a deposit of 50% of the total purchase price of the Product ordered. Payment terms are net 30 days from the date of shipment and net 10 days on a consolidated billing method (e.g. weekly, monthly). For partial shipments, payment shall be due only for Products received. The remaining balance for any partial shipment shall be due within terms following installation of the Product. Staples may invoice Customer at any time following shipment of the Product. Customer shall pay the net amount shown on the face of the invoice. Credit cards shall not be accepted unless otherwise agreed by Staples. Staples reserves the right to charge interest on any past due amount at the rate of 1.5% per month, or the maximum rate legally permitted, whichever is less. Staples shall be entitled to recover its costs of collection, including reasonable attorneys' fees.

11) TAXES. Staples may collect, and Customer shall pay, any taxes, which Staples may be required to pay or collect by law in connection with this sale. Any such taxes will be added to the price at time of invoicing and the Customer shall pay the same unless the Customer shall furnish written proof thereof of exemption to Staples prior to the estimated shipping date. The appropriate tax rate will be based on where the Product is received.

12) LIMITED WARRANTY. Staples warrants that it will pass through all manufacturers' warranties to the Customer for Products sold to Customer in lieu of any other express or implied warranties from Staples. FOR A PARTICULAR USE OR PURPOSE, OR ANY OTHER STATUTORY OR COMMON LAW WARRANTY.

13) Termination. Either party shall have the right to terminate this Agreement, for any reason during the term, by giving the other party written notice no later than thirty (30) days prior to the effective date of termination. If either party materially breaches this Agreement, the non-breaching party must give the breaching party written notice of the breach and thirty (30) days to cure such breach.
