

Venice Main Street

Entrance Sign Upgrade

Entrance Sign Update

- Contacted 3 sign companies to get proposals for converting changeable sign area to LED format
 - Berlin
 - H&H
 - Dorsett

Initial Proposal Ideas

- Asked for proposals replacing the sign space as well as the area within the columns
 - Sign space of 48" X 28.5"
 - Space between columns of 67.25"
- Asked for red LED for text only capability and color LED for graphics, photos, and future capabilities
- Asked for wireless capabilities for remote changing of signage

Pricing

- Red LED signs range from \$7,475 to \$10,992 depending on sign size and LED spacing
- Color LED signs range from \$9,217 to \$15,928 depending on sign size and LED spacing
- The specifics needs analysis and determine interest level for more information

Other Information

- All of the signs come with wireless capability to change sign content remotely
- Milliken (Dorsett and H&H) has a 1 year Labor and 5 year Parts warranty.
- Optec (Berlin) has 5 years Labor and Parts
- Lead time is 8-12 weeks with Millikan and 6-8 weeks with Optec.
