

Venice Vikings Volunteer Information

Jan 15, 2014

To whom it may concern,

I am the president of the Venice Vikings Football and Cheer Program, Venice Vikings Football and Cheer Program is a non-profit organization that serves approximately 300 children, and has been serving the community since 1969. Our program uses the practice fields at the Well field Park located on Pinebrook Rd.

I wanted to write this letter to inform you that Mr. Rich Carroll has been in contact with me and the athletic director about moving the Challenger Baseball program to the Wellfield. We have seen the layout and plans and are in full support of the baseball program moving to the Wellfield. We feel like it's a welcome addition to the community. Mr. Carroll did a wonderful job of making sure he planned for both programs. While the plans to have the Challenger baseball program would have us losing some existing practice fields Mr. Carroll was sure to include plans for us to have all the practice fields we would need. We really appreciate the dedication Mr. Carroll gives to our local youth and consideration he gave to our program as well. If you have any questions please feel free to contact me.

Sincerely

Jay Thinnies – Vice President

Jeff Beck – Athletic Director
