Good morning!
I hope you are well.

I'm sure you know the community meeting at the Robert Anderson building held this past Wednesday to discuss Resilient SRQ. We commented in support of our unmet need of \$5 Million. Many other people were there to give their thoughts on how the \$201 Million HUD dollars should be spent. Most of the comments were centered on the well-deserving communities and organizations of North Port. Venice Theatre was the only organization from Venice present. Public comment is still open, and we would love to show the economic value of Venice Theatre to the city and community of Venice. Would the City of Venice be willing to write a letter of support for Venice Theatre to the county?

Thank you so much for all of the support thus far.
Have a great day,

Kris
