Description and Scope							
Development of Legacy Park is managed by the City of Venice. This CIP Project provides capital development funds pursuant to the Interlocal Agreement dated Feb. 18, 2009. Per the Interlocal Agreement, it is the County's responsibility to maintain and operate this park.							
Rationale							
The acquisition and development of this community park has created a partnership opportunity with the City of Venice. This park will serve as a central gathering place for the Legacy and Venetian Waterway trails, Marina Park, and Venice Train Depot.							
Funding Strategy							
This project is funded by General Revenues and Surtax III - General Government (within the Beach and Shoreline Preservation and Access Program).
