Subject: Concrete Dance Pad Proposal
CC: "John Veneziano" <jveneziano@venicegov.com>

Dear Mr. Lavallee,

I have reviewed the August 13, 2013 letter from Mr. Veneziano with Mr. Marovich, who will be performing the work, and we understand the process and can comply with the City's design standards. I am told that the next step is to request the city council's acceptance of this donation.

I respectfully request your assistance in scheduling this request with the council.

Sincerely,

Kathy Cushing
