

**City of Venice  
City Manager's Report  
Agenda Item Request**

**DATE:** November 22, 2013

**TO:** Edward Lavallee, City Manager

**FROM:** Christopher Rozansky, C. M., Airport Administrator *CR*

**SUBJECT:** Approve the Florida Department of Transportation Joint Participation Agreement for an Environmental Assessment of Runway 13-31 Safety Improvements

---

**Background:**

An environmental assessment (EA) must be completed to implement the Runway 13-31 safety improvements to remove the Runway Protection Zone from 24 single family homes as depicted on the approved Airport Layout Plan. The Florida Department of Transportation (FDOT) has offered Joint Participation Agreement (JPA) No. 434811-1-94-01 to pay for 5% of the costs, up to \$22,500, with the remaining costs funded by the FAA and the Airport.

No grant has been received yet from the FAA for this project. The FAA has advised that they expect to reimburse the City for 90% of the cost of the EA as part of a grant anticipated later in FY 14 to design the project.

**Requested Action:**

Staff requests City Council approval of the Resolution authorizing Appropriate Government Officials to execute the JPA for FM Number 434811-1-94-01 by and between the FDOT and the City of Venice.

**City Attorney:**

The City Attorney has reviewed and approved the Resolution and JPA.

**Funds Availability:**

Funds are available for this project in account 401-9732-542.63-00.

**Attachments:** Resolution No. 2013-26  
FDOT Joint Participation Agreement
